- 17<sup>th</sup> August: Orange Dance Eisteddfod
- 20<sup>th</sup>-2<sup>nd</sup> August: RoboCup State Competition

## FROM THE PRINCIPAL

As the semester draws to a close, I would like to start by thanking the parents who have volunteered their time each week in and around the school, your ongoing support is very much appreciated. I would also like to acknowledge the dedication of the staff who have worked tirelessly to nurture, encourage and provide rich diverse learning experiences for our students.

Mrs Burns will head overseas next week and we wish her a wonderful holiday. Mrs Griffith will join us and will teach the 2-3 class until Mrs Burns returns.

Student reports will go out next Monday. Mrs Burns will hold parent teacher interviews next Tuesday for those parents who wish to speak with her. Parents should have received a note to book an appointment. If you haven't received a booking sheet, please contact Mrs Burns.

Mrs Mitchell and I will be conducting our parent-teacher interviews next term.

## TECHNOLOGY EXPO

The inaugural technology expo organised by the Rotary Club of Orange Daybreak was very successful last Friday and Saturday. A big thank you to the students who helped at the School's display on both days and to the parents who transported their children.

We had lots of questions and positive comments around our student's skill and capacity to explain the different coding they had learned.

## YRS 3-6 LAKE BURRENDONG EXCURSION

An EOI note was sent out last week for Yrs 3-6 students to go on the end-of-year excursion to Lake Burrendong. **Reminder** to return the note by 5<sup>th</sup> July if your child wishes to attend as bookings need to be confirmed.

## IN THE CLASSROOMS

Kinder and year 1 have completed presentations on their family history sharing pictures and items that represent members of their family.

Year 2-3 have continued to learn about our wonderful country and the diverse places we have.

Year 4-6 in science have been learning about what matter is and conducting simple experiments to measure the viscosity of different liquids.

## SPORTING TEAMS

Our touch teams will play against OSSA green and white teams tomorrow in touch to decide who will continue in the Knockout.

On Friday the OSSA hockey team will play Dubbo South in round two at Molong. We wish all the students competing the very best.

## SRC FUNDRAISER -

### LAST DAY OF TERM

**Mufti Day:** Is a day for SRC fundraising. If your child wears mufti please send in a gold coin donation for this very worthy cause.

**This term funds will be raised to support drought affected communities.**

**Hot lunch:** *Hot dog day* will be on this day and **NOT the usual Thursday** – same price of \$5.00 for hot dog and drink.

## EDUCATION WEEK

Education Week is from 6<sup>th</sup> to 10<sup>th</sup> August and our school will be organising activities to celebrate – full details will be sent home early next term.

## WELLINGTON EISTEDDFOD

Piper, Oliver and Ebony have been working with Spring Hill students in drama performance to compete at the Wellington Eisteddfod on 1<sup>st</sup> August.

## LITERACY SKILL DEVELOPMENT

Reading is an important skill that needs to be developed in children. It is a skill necessary for survival in the world. To develop reading, writing and language skills children need to read daily.

*As the holidays are almost on us we would encourage all of our students to borrow from the library so that they can continue to practise, maintain and develop the skills they have acquired.*

## CLOTHES

Could you please check the label on your child's jumper as it seems we have a few missing. **Please ensure that your child's clothing is clearly labelled** so that it might be returned to them. We seem to have a lot of unclaimed jumpers and hats here at school that have no names on them.

## STUDENT AWARDS

### Week 7

Chase, Madeline, Parker, Tyler, Anna, Elianna, James, Chloe, Jarvis, Ryan, Grace

## CLASS ACTIVITIES
