FROM THE PRINCIPAL

A huge thank you to all the families, friends, staff and students who helped to make last Friday's Variety Bash Breakfast such a success. Bashers were very appreciative of the variety and efforts that were made to accommodate their different food needs.

The generosity of the rally drivers toward our children and school was extremely magnanimous with all students receiving many wonderful free gifts including a helicopter ride.

THANK YOU TO THE P&C

Special thanks to Mrs Emily Lingier for the many hours organising her team of helpers to make the Variety Bash such a success. Everything went very smoothly on the morning with more than 400 at the school for Breakfast.

It was great to see the community spirit on the morning with items of equipment loaned and help from the Mullion Creek RFS volunteers and

community members and parents cooking BBQs and manning food stations. Many of the bashers wore fancy dress and their departure was colourful and noisy!

The profit from the breakfast was \$10,505 which includes an equipment grant of \$5,134 from Variety Club. As well we have boxes of books for our library and sports equipment for students that were generously donated by Bashers.

THANK YOU EVERYONE FOR YOUR HELP

WASTE TO ART PROJECT

Congratulations to the students and Mrs Cloete who took out the 1st place in the Orange City Council Waste to Art project. The sculpture and display explained our school's journey to stop using Styrofoam. Their project now moves on to the regional competition.

Congratulations to Elianna and Lewis who were awarded 1st place and highly commended for their metal recycled sculptures.
